Bourns® Model 6700 Series High Current Toroid Inductors with Base and 7000 Series Dual-Line Toroid Inductors to be Discontinued

Bourns has decided to discontinue the [Model 6700 Series](#) High Current Toroid Inductors with Base and the [Model 7000 Series](#) Dual-Line Toroid Inductors. A lack of sales volume and diminishing demand necessitates this action. Regrettably, no replacement part numbers are available at this time.
