

DATE: 6th April, 2012

PCN #: 2077

PCN Title: Discontinuance of Selected Discrete Devices with Suggested Drop-In Replacements If Available

Dear Customer:

This is an announcement of change(s) to products that are currently being offered by Diodes Incorporated. The products affected by this PCN are being discontinued.

We request that you acknowledge receipt of this notification within 30 days of the date of this PCN. Please refer to the implementation date of this change as it is stated in the attached PCN form. Please contact your local Diodes sales representative to acknowledge receipt of this PCN and for any sample requests.

Previously agreed upon customer specific change process requirements or device specific requirements will be addressed separately.

For questions or clarification regarding this PCN, please contact your local Diodes sales representative.

Sincerely,

Diodes Incorporated PCN Team

TITLE																																																																																								
Discontinuance of Selected Discrete Devices with Suggested Drop-in Replacements If Available																																																																																								
DESCRIPTION OF CHANGE																																																																																								
The parts listed below are being discontinued. Some parts can be replaced immediately by already existing and previously qualified part numbers. These parts have been in high-volume production.																																																																																								
No life-time buy opportunity is being offered.																																																																																								
IMPACT																																																																																								
Affected part numbers are being discontinued. Replacement part numbers are available for immediate substitution for some of the affected part numbers. Please see table below for details.
