Subject: Product Termination Notification MLX75303KXD-EAA-000-RE/ MLX75303SXD-EAA-000-RE

We regret having to inform you that Melexis intends to stop production of above-mentioned product due to the fact that we have perceived a phase-out from your side.

To prepare a ramp-down scenario, Melexis will still accept orders of MLX75303KXD-EAA-000-XX/ MLX75303SXD-EAA-000-XX till 30-SEP-2020. By then we expect a final all-time buy order for delivery until 30-MAR-2021. Hence, we are providing you a 12 months transition period.

This order will be non-cancelable and non-returnable. The current unit price, payment terms and shipment terms remain applicable.

The devices received from Melexis may be stored for a period up to 2 years in their unopened original packing at room temperature without the use of additional special precautions according to JEDEC J-STD-033.

For logistical follow-up and assistance with your orders, please contact your main contact at Melexis, Cathy De Ron. In case of technical questions, please contact the undersigned.

Sincerely,

Gualtiero Bagnuoli
