Production Discontinuation of SAW Filter

We would like to thank you very much for your patronage on KYOCERA products.

With regard to the captioned issue, we have to inform you that we would cease production of following SAW Filter.

The global demand of these products has declined significantly, also received a notice of discontinuation of production of the substrate material used for SAW filter, and we had to come to conclusion that it is no longer possible for us to keep our mass production line running. We are sorry for the inconvenience caused.
