Product Change Notification: P-19-017724

PCN Date: 05-AUG-19

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Localization 025 CAP ASSY

Description of Changes

Manufacturing location change. Following part number will be transferred from TE-Japan to TE-Thailand. This change is applicable for the customers outside Japan. For Japanese customer the supply source will remain the same from original Japanese tools.

Reason for Changes:

Dear Customer, we hereby inform you about a transfer of processes. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form fit function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard automotive requirements. A TE internal release test based on the relevant part specifications will be executed before delivery. Upon request, a PPAP Level 2 will be available if it concerns a transfer of a tool which produces a finished TE product. If you require a PPAP, please contact following responsible members for the concerned matter; Takafumi Saito (saito.takafumi@te.com) after receipt of this PCN.
