July 30, 2011

Dear Whomever it may concern,

REGARDING: Package (BULK) Discontinuation Notice

Due to the severe economic situation and business environment worldwide, NJRC has judged that a fundamental restructuring is necessary in order to generate a profit under low growth. As a result, a radical reorganization of our production chain is scheduled which involves the closing of our Hamada, Japan factory, and a production shift to our Thailand factory. This restructuring will result in the discontinuation of several of our less-efficient, slow-moving packages. NJRC therefore, is providing you with this End-of-Life notice for following bulk parts.

Discontinue Part Number	Replacement Part Number
NJM78LxxUA (bulk)	NJM78LxxUA-TE1 (taping)
NJM79LxxUA (bulk)	NJM79LxxUA-TE1 (taping)
NJM431U (bulk)	NJM431U-TE1 (taping)
NJU7201Uxx (bulk)	NJU7201Uxx-TE1 (taping)
NJU7211Uxx (bulk)	NJU7211Uxx-TE1 (taping)

The xx shows reference voltage. For more details please ask NJR.

The last-time-buy deadline is **October 31, 2012**. All shipments must be completed within 5 months from the last-time-buy order date.

While there are no direct replacements for these bulk parts, NJRC does offer these parts on tape & reel.

We apologize for any inconveniences to you as a result of our restructuring. Please do not hesitate to contact us with any questions or comments going forward.

Sincerely,

SEAN Yamamoto
Executive VP and COO
NJR Corporation
